OTHER CONSULTING SERVICES: AD HOC STUDIES, VENDOR, COMMERCIAL & STRATEGIC DUE DILIGENCE

AVICENNE was founded in 1992 by Ali Madani and has been operating on strategic and marketing studies in the medical sector since then. AVICENNE has advised major players in this industry (Medtronic, Stryker, Zimmer Biomet, Depuy Synthes, etc.) with their strategy development and implementation, technical and economic appraisals, mergers and acquisitions. AVICENNE has also advised many Private Equity firms on acquisitions and build-ups. AVICENNE has worked with Major and Mid-size companies on their entry strategy for new markets, adjacencies or new geographic territories as well as business model improvements and partnership strategies. Globally, AVICENNE has been involved in more than 320 projects for 100+ customers in the medical device industry. AVICENNE has published several annual surveys such as "European orthopedic Market" and "Worldwide orthopedic Contract Manufacturing market and top 100 supplier profiles". AVICENNE's Managing Partner, Ali Madani is a speaker and chairman of several medical device conferences worldwide. He founded "IMPLANTS" a medical device industry conference and exhibition, focusing on manufacturing, innovation and buying strategies, which he has chaired ever since.
