European Orthopedic Market 2025-2030

Hip, Knee & Shoulder Strategic Report · 895 slides · November 2026 – 20th Edition

EXECUTIVE SUMMARY: WORLDWIDE ORTHOPEDIC & SPINE MARKET IN 2025 3

- Population and hip, knee & shoulder market values in Europe (18 countries) in 2025
- Orthopedic market profiles 2015-2025: France, Germany, Italy, Spain, UK
- Hip, knee and shoulder implant markets: 5-country synthesis

INTRODUCTION AND SURVEY METHODOLOGY 17

- Survey methodology
- Bearing materials: advantages & weaknesses
- Hip, knee and shoulder segmentation: fixations, bearings and designs

I OVERVIEW OF THE WORLDWIDE ORTHOPEDIC & SPINE MARKET IN 2025 25

- Worldwide orthopedic markets in 2025: hip, knee, extremities, spine, trauma & CMF, orthobiologics
- Competition: Majors vs. Challengers, Europe hip & knee market shares 2015-2030
- Hip & knee implant ratios per 10,000 inhabitants and growth by area
- Market drivers: demographics, economics, innovation, product mix, revisions
- Market limiters: reimbursement & pricing, regulation, group purchasing
- Sales channels, product life cycle and worldwide market forecasts to 2030

II EUROPE ORTHOPEDIC MARKET 2015-2030 57

- **European regulatory framework** – MDR, CE marking, population & health data, product withdrawals
- **Europe hip implant market overview** – segmentation, 2025 market in volume & value, competitive landscape, prices, dual mobility & mini hip, trends 2015-2030
- **Europe knee implant market overview** – segmentation, 2025 market in volume & value, competitive landscape, prices, trends 2015-2030
- **Europe shoulder implant market overview** – segmentation, 2025 market in volume & value, competitive landscape, prices, trends 2015-2030

III GERMANY ORTHOPEDIC MARKET 2015-2030 169

- **Germany: market context, reimbursement & purchasing** – G-DRG system, implant financing, tariffs & tenders, purchasing groups
- **Germany hip implant market overview** – segmentation, 2025 market in volume & value, competitive landscape, prices, dual mobility & mini hip, trends 2015-2030
- **Germany knee implant market overview** – segmentation, 2025 market in volume & value, competitive landscape, prices, trends 2015-2030
- **Germany shoulder implant market overview** – segmentation, 2025 market in volume & value, competitive landscape, prices, trends 2015-2030

IV FRANCE ORTHOPEDIC MARKET 2015-2030 291

- **France: market context, reimbursement & regulation** – LPP tariff cuts, T2A & add-on list, 2025 savings plan, outlook to 2030
- **France hip implant market overview** – segmentation, 2025 market in volume & value, competitive landscape, prices, dual mobility & mini hip, trends 2015-2030
- **France knee implant market overview** – segmentation, 2025 market in volume & value, competitive landscape, prices, trends 2015-2030
- **France shoulder implant market overview** – segmentation, 2025 market in volume & value, competitive landscape, prices, trends 2015-2030

V ITALY ORTHOPEDIC MARKET 2015-2030 421

- **Italy: market context, reimbursement & purchasing** – regional DRGs, regional tenders, payback mechanism
- **Italy hip implant market overview** – segmentation, 2025 market in volume & value, competitive landscape, prices, dual mobility & mini hip, trends 2015-2030
- **Italy knee implant market overview** – segmentation, 2025 market in volume & value, competitive landscape, prices, trends 2015-2030
- **Italy shoulder implant market overview** – segmentation, 2025 market in volume & value, competitive landscape, prices, trends 2015-2030

VI UK ORTHOPEDIC MARKET 2015-2030 543

- **UK: market context, reimbursement & purchasing** – HRG tariffs, national frameworks, NHS & independent sector
- **UK hip implant market overview** – segmentation, 2025 market in volume & value, competitive landscape, prices, dual mobility & mini hip, trends 2015-2030
- **UK knee implant market overview** – segmentation, 2025 market in volume & value, competitive landscape, prices, trends 2015-2030
- **UK shoulder implant market overview** – segmentation, 2025 market in volume & value, competitive landscape, prices, trends 2015-2030

VII SPAIN ORTHOPEDIC MARKET 2015-2030 666

- **Spain: market context, reimbursement & purchasing** – GRD system, implant financing, tenders, main buyers
- **Spain hip implant market overview** – segmentation, 2025 market in volume & value, competitive landscape, prices, dual mobility & mini hip, trends 2015-2030
- **Spain knee implant market overview** – segmentation, 2025 market in volume & value, competitive landscape, prices, trends 2015-2030
- **Spain shoulder implant market overview** – segmentation, 2025 market in volume & value, competitive landscape, prices, trends 2015-2030

VIII OTHER 13 COUNTRIES 787

- **Country profiles** – population, GDP per capita, hip, knee & shoulder markets in volume & value, split by type
- Belgium, Denmark, Finland, Sweden, Ireland, Netherlands, Austria, Luxembourg, Greece, Portugal, Switzerland, Norway, Turkey

IX DETAILED PROFILES OF THE MAIN MAJORS AND CHALLENGERS IN EUROPE 801

- **Company profiles** – story, main acquisitions, facilities, product portfolio, revenues, contact details, shareholders
- Zimmer Biomet, DePuy Synthes, Stryker, Smith & Nephew, Advita, Aesculap, Amplitude, Arthrex, Corin, Enovis, Link, Medacta, MicroPort, Symbios, United, FX Solutions

X NEW TECHNOLOGIES & ORTHOPEDIC INNOVATIONS 855

- **Robotic-assisted and navigation surgery** – MAKO, ROSA, Navio & CORI, Mazor, Velys; US vs. rest of world 856
- **Additive manufacturing & 3D printing in orthopedics** – technologies, suppliers, players & contract manufacturing 863
